

DATA PRIVATE POLICY AND GENERAL DATA PROTECTION REGULATION –  
GDPR

George Beesley Domestic Gas Serves

As from 28<sup>th</sup> May 2018 the new GDPR regulations came into force. This means we must inform you of the data we hold for you and how we use it. In general terms the information that our company, George Beesley Domestic Gas, will hold includes;

- contact details
- telephone numbers
- email addresses

These details are kept on our encrypted server on site. All our customers' personal data will be treated in a confidential manner and we recognise and understand the efficient management of its data and records necessary to support our core business functions, to comply with its legal, statutory and regulatory obligations to ensure the protection of personal information and to enable the effective management of the organisation.

In specific circumstances, customers have the right to request that their personal data is erased; where the personal data is no longer necessary in relation to the purpose for which it was originally collected.

When, our customer, the individual, withdraws consent.

We will never sell or pass your personal information we hold for you.

For any further information please click on link below;

Kind regards

Penny Beesley
